DISCOVER ENVY LABS

Insightful Software

Envy Labs builds data-driven web
applications with a focus on interactive
training and visualization.

GREETINGS, EARTHLING.

We're ZURB, a team of designers, researchers and nerds that help companies design better products, websites and services by uncovering

#DesignInsights

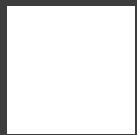

Paquete 2

A dark, textured background featuring a diagonal watermark of a computer monitor. The monitor displays a large amount of colorful, multi-line code, likely PHP, with various words highlighted in red, green, blue, and yellow. The code appears to be related to web development, possibly a theme or plugin for a Content Management System like WordPress.
